The Men's Guild of Children's Hospital Los Angeles will hold our 15th Annual Texas Hold'em Poker Tournament on March 14th, 2020 at ONE CULVER in Culver City in support of Children's Hospital Los Angeles. There will be over 200 men participating in this fun-filled night of poker, bar games, a live and silent auction and cocktails. To date we have raised over \$1.9M for CHLA!

The Men's Guild has been supporting CHLA since 2004 and is currently raising money for The Associates Endowed Chair for the Chief of the Children's Orthopaedic Center and The Associates Chair in Liver and Intestinal Research. In recognition of the Associates' generous support, CHLA has proudly named these Chairs in perpetuity.

The Children's Orthopaedic Center, led by David L. Skaggs, MD, MMM, uses the most advanced methods to treat a range of conditions, from broken bones to scoliosis, and serves the most vulnerable children in our community. The Division of Gastroenterology, Hepatology and Nutrition, led by Rohit Kohli, MBBS, MS, takes a comprehensive approach to caring for patients with a variety of intestinal, liver and nutritional disorders.
